GO. SEE THE WORLD.

Benefits of Study Abroad:

- Have fun!
- Improve language skills
- Build your resume
- Meet new people
- Have new adventures
- See the world
- Do something different
- Earn credits towards your degree

Getting Started: Step-by-Step Study Abroad Procedures

Explore the study abroad website at www.studyabroad.uwm.edu for general program and procedure information.

Stop by the CIE study abroad office for walk-in advising. Talk to one of our friendly peer advisors about their own study abroad experiences, different program options, general program requirements, and any other questions you have. We are located in Pearse Hall, Room 166, and are open Monday through Friday, 8 am – 4:30 pm.

Attend a general study abroad advising session to talk to study abroad coordinators about general or program-specific questions, application and acceptance processes, finances, credit transfer, and other aspects of studying abroad. General advising sessions are held at the beginning of each semester. Check our website for more information.

Select a program and schedule an appointment with a study abroad coordinator to go over program-specific details. Stop by our office or call (414) 229-5182 to schedule an appointment.

Apply for a program. Visit our website for application instructions.

Prepare for your adventure!
